

2005 Marketing Partners News Release

March 6, 2005- ElectricTaz Racing is happy to announce that their marketing partnership with Carla's Finish Line and Tiny's Auto Body has been extended thru the 2005 season. And new for the 2005 season Donker's Hometown Appliances and Twix Construction as limited partners.

Carla's Finish Line is our preferred supplier of NASCAR Die-Cast and Collectibles. She also carries other Pro Sports merchandise. She just recently moved her store to the central area of the mall along with her Avon Store. Before you look anywhere else stop by Carla's or give her call to see if she locate your favorite driver's merchandise.

Carla's Finish Line is located at the Oak Park Mall in Austin MN or call 507-434-7153.

Tiny's Body Shop of Austin MN is our preferred auto body paint shop. They have painted the #59 Truck the last two years with the chameleon color scheme chosen by Jeremy.

When Jeremy has a unique request for his colorful schemes Tiny's is our first choice.

Visit Tiny's on 18th Ave NW, Austin MN or call 507-437-2611.

Donker's Hometown Appliances & TV has agreed to be a limited marketing partner in 2005. As part of this partnership special promotional events will be held throughout the year with a special appearance of the ElectricTaz cars and crew at the store with a date to be announced.

This first promotion will be available during the Oak Park Mall Show during March 12-13. Stop by our team display to find out the details.

Donker's Hometown Appliances carries new and used appliances, HD Ready TV's, grills, lawn mowers, air conditioners, and hot water heaters at reasonable prices. A few of the brands are Frigidaire, Fisher-Paykel, Whirlpool, Maytag, Amana, Phillips, Daewoo and many others. They also provide appliance and lawn mower parts. If you are looking for that unique appliance or part call Donker's first.

Visit their showroom located at 1107 1st Ave SW, Austin MN or call 507-433-8608 for Sales and Service. Or visit them on the web at <http://donkers.homeappliances.com>.
